

Fortune Green and West Hampstead NDF Newsletter 24 April 2017

Dear NDF member,

Please see attached the [agenda](#) for our meeting on **Wednesday, 10th May 2017, at 7:30 pm in West Hampstead Library**. This will be the first meeting held by us the new co-chairs.

Things have been quite quiet except for the **Gondar Gardens Reservoir** consultation which the NDF attended and commented upon to the Developer's Agent. The presentation can be found online at:

http://www.lifecareresidences.co.uk/wp-content/uploads/2017/03/Gondar_Arches_Presentation.pdf

We have been asked to let our members know about **two surveys** below:

Robert Lastman, who lives locally, is conducting a community study to look at what 'home' means to those living in West Hampstead. This is part of an independent research study he is doing on housing. Please feel free to respond

at: <https://www.esurveycreator.co.uk/s/nw6>. The survey closes at the end of this week.

You also might be interested in a survey on Camden Council's new garden waste collection charge at: <https://camdenairaction.typeform.com/to/KWlf2t> . Please fill it in and share it with other Camden residents. It's been compiled by Camden Air Action (CAA) to evaluate the impact it will have on the environment/air quality.

For regular updates on our work, please follow the NDF on [Twitter](#) and [Facebook](#).

Best wishes,

Keith and Nick
