

I40a Maygrove Road 2022/4692/p

The NDF is concerned at the lack of detail even for permission in principle. As it stands it appears to be overdevelopment, there is loss of green space and mature trees, and loss of employment possibilities, all contrary to the Neighbourhood Plan. The NDF would also support neighbours in their undoubted objections to a detailed application, citing over development, loss of privacy and loss of light.
